Re: *Mary Stewart, Administrator of the Estate of Luke Stewart v. City of Euclid, Ohio, et al.*
United States Supreme Court - Case No.: 20-951

Dear Mr. Harris:

This firm represents the Respondent City of Euclid in the above matter.

Pursuant to Rules 15.3 and 30.4, we herewith, on behalf of our client, request that the time to respond to the Petition for a Writ of Certiorari be extended 30 days to, and including, March 18, 2021. The Petition was docketed on January 11, 2021. Consequently, the brief in opposition must currently be filed by February 16, 2021.

Due to scheduling conflicts and the press of other business commitments as well as the inefficiencies related to remotely working under COVID-19, counsel respectfully requests additional time within which to prepare a responsive brief that properly addresses all of the issues raised in the petition.

Counsel for the Petitioner does not object to this extension.

As indicated by the enclosed certificate of service, we have concurrently served a copy of this letter upon counsel for the Petitioner electronically and by paper. We have electronically filed a copy of this letter.

Thank you for your courtesy and prompt consideration of this request.
