Danny Bickel
Clerk of the Court
Supreme Court of the United States
One First Street, NE
Washington, DC 20543

Re: No. 21-1138, *Sherry Treppa, et al. v. George Hengle, et al.*

Dear Mr. Bickel:

Pursuant to Rule 30.4, I write to seek an unopposed extension of the time to file a response to the petition for certiorari in this case. The response is currently due on March 18, 2022. I request a 30-day extension, to and including Monday, April 18, 2022. The petitioner does not object to this request.

I will have principal responsibility for preparing the brief in opposition to the petition. I request this extension because my colleagues and I have a large number of pressing deadlines that, absent an extension, will prevent us from devoting adequate time to this brief. Our upcoming deadlines include, among others: a reply to an opposition to an intervention motion due on March 3 in *Gonidakis v. Ohio Redistricting Commission*, No. 22-0773, in the Southern District of Ohio; a reply brief due on March 7 in *Henderson v. Source for Public Data*, No. 21-1678, in the Fourth Circuit; an opposition to a motion to stay due on March 8 in *Rosiak v. Awan*, No. 22-cv-4, in the D.C. Court of Appeals; an amicus brief due on March 9 in *Viking River Cruises v. Moriana*, No. 20-1573, in this Court; an opening brief due on March 15 in *Clarkson v. Alaska Airlines*, No. 21-35473, in the Ninth Circuit; a response to a motion for summary judgment due on March 15 in *Travers v. Federal Express*, No. 19-cv-6106, in the Eastern District of Pennsylvania; a reply brief due on March 21 in *Opiotennione v. Bozzuto*, No. 21-1919, in the Fourth Circuit; an amicus brief due on March 23 in *In Re: Zofran Products Liability Litigation*, No. 21-1517, in the First Circuit; and an opening brief due on April 1 in *Salter v. Quality Carriers*, No. 21-56291, in the Ninth Circuit.

A 30-day extension is necessary to enable us to balance these other responsibilities with our obligations in this case.

Thank you for your attention to this matter.

Sincerely,

Matthew W.H. Wessler
