Re: *Monsanto Co. v. Alberta Pilliod, et al.*, No. 21-1272

Dear Mr. Harris:

As counsel of record for respondents Alberta Pilliod and Alva Pilliod in the above-captioned case, I am writing to request a 30-day extension of time to file a brief in opposition in this case to and including May 20, 2022. The certiorari petition was filed on March 17, 2022, and it was docketed on March 21, 2022. Without the requested extension, the brief in opposition would be due on April 20, 2022.

The 30-day extension to file a brief in opposition to the certiorari petition is necessary because undersigned counsel only recently was retained in this matter and needs the additional time to review the petition and the record below, in order to prepare a response given the press of other business for which undersigned counsel has primary responsibility, including as lead counsel for the plaintiff in a multi-week trial in *Florida, etc. v. Walgreen Co.*, Case No. 2018-CA-001438 (Fla. Cir. Ct., 6th Jud. Dist., Pasco Cty.), which commenced just this past Monday, April 11, 2022.

Counsel for petitioner has stated that petitioner consents to the requested extension.
