Re: *Biogen International GmbH, et al. v. Mylan Pharmaceuticals Inc.*, No. 21-1567

Dear Mr. Harris:

I am counsel of record for respondent Mylan Pharmaceuticals Inc. in the above-captioned case. The petition for a writ of certiorari in this case was placed on the docket on June 14, 2022. Respondent's response is due on July 15, 2022.

Respondent respectfully requests a 30-day extension of time to file its response, so that the new deadline would be August 15, 2022. *See* Sup. Ct. R. 30.4.

Respondent requests this extension because counsel for respondent have numerous deadlines in other matters, including an opening brief in *Carnegie Institution of Washington v. Fenix Diamond LLC*, Nos. 21-2249, -2315 (Fed. Cir.), due July 1, 2022; a response brief in *Sonos v. ITC*, No. 22-1421 (Fed. Cir.), due July 8, 2022; an opening brief in *In re Google*, No. 22-1611 (Fed. Cir.), due July 22, 2022; and an opening brief in *Favored v. P2i*, No. 22-1409 (Fed. Cir.), due July 26, 2022. Also, Respondent is aware of at least two amicus briefs in support of certiorari that are due by July 15, 2022, and would like additional time to respond to *amici's* arguments.

Should you need any additional information, please do not hesitate to let us know. Thank you for your consideration.

Sincerely,

/s/

Nathan K. Kelley
