Re: *California Trucking Association, Inc. v. Bonta*, No. 21-194  
Request for Extension of Time

Dear Mr. Harris:

The petition for a writ of certiorari in this case was filed on August 9, 2021. The response to the petition is currently due on September 10, 2021. Pursuant to Rule 30.4, respondents Rob Bonta *et al.* respectfully request that the time for filing a response be extended by thirty days, up to and including Monday, October 11, 2021 (because thirty days from September 10 is October 10, a Sunday). An extension of time would allow for adequate time for internal review and would better enable preparation of a response that respondent believes would be most helpful to the Court. In addition, we have already consented to the filing of multiple amicus briefs in support of petitioner, and counsel for petitioner has informed us that he expects that a number of entities will seek to file amicus briefs in support of his client. The extension would allow time to review those briefs and prepare any response to the arguments made in them.<sup>1</sup>

Sincerely,

*/s/ Samuel T. Harbourt*
