Re: Oklahoma v. Williams, No. 21-265

Dear Mr. Harris:

I represent Respondent in the case referenced above. Petitioner Oklahoma filed petition for a writ of certiorari on August 21, 2021, and this matter was placed on the docket on August 24, 2021. Respondent requested and received a 30-day extension of his deadline to file a response from September 23, 2021 to October 25, 2021. Pursuant to Supreme Court Rule 30.4, I write to request a fourteen (14) day extension of time to file a response to the petition in this case.

Respondent's counsel has received notice that multiple *amici* intend to file briefs in support of the petition in *Oklahoma v. Castro-Huerta*, No. 21-429, which raises the same questions presented as this case and which Oklahoma has urged the Court to grant as a vehicle to address those questions presented. Counsel requires time to review those briefs before filing a response in this case. Moreover, because counsel represents several dozen respondents in cases where Oklahoma has filed similar petitions—in addition to the press of other business—counsel requires additional time to draft and file the response in this case and others.

For these reasons, I respectfully request a fourteen (14) day extension of time, until November 8, 2021, to file a response to the petition.

Sincerely,

/s/ Zachary C. Schauf
