Re: *Postmates, LLC, fka Postmates, Inc. v. Wendy Santana*  
Case No. 21-420

Dear Clerk Harris:

Pursuant to Supreme Court Rule 30.4, Respondent Wendy Santana (“Respondent”) respectfully moves for an extension of time for filing her response to Petitioner Postmates, LLC, fka Postmates, Inc.’s (“Petitioner”) Petition for Writ of Certiorari (“Petition”) by approximately sixty (60) days for the reason stated below. The response is currently due on January 12, 2022.

The parties in this case have reached a class action settlement which would resolve all claims in this case, which has been filed in San Francisco Superior Court. See Postmates Classification Cases, Case No. CJC-20-005068 (San Francisco Superior Court). The settlement was preliminarily approved by the Court on August 12, 2021. The final approval hearing was scheduled for January 5, 2022, but was tentatively continued today by thirty to forty-five days. Assuming that the Court grants final approval in thirty to forty-five days, this case will be moot as Petitioner has agreed to dismiss the Petition.

Accordingly, in the interest of judicial economy, counsel for Respondent respectfully submit that her response deadline should be extended until March 14, 2022.
