RE: *303 Creative LLC, et al. v. Elenis, et al.*, No. 21-476

Dear Mr. Harris:

I am counsel of record to all respondents in the above-captioned case. The petition for writ of certiorari in this case was filed on September 24, 2021, and was docketed on September 28, 2021. The response to the petition is currently due on Thursday, October 28, 2021.

Three potential parties have given notice of their intent to file amicus briefs in support of petitioners. In addition, I have significant commitments throughout October and November. So that the response in opposition can address any issues raised by the amicus briefs while giving our office adequate time to prepare the response (and ensuring that the briefing deadlines do not disrupt Thanksgiving and December holidays for any party), I respectfully request a 43-day extension through and including December 10 to file a response to the petition.

Respondents have not previously sought any extensions in this case. Petitioners do not oppose the requested extension.

Thank you for your consideration.

Sincerely,

/s/ Eric R. Olson

Solicitor General of Colorado
