I am supporting 4 fatherless children here in the Philippines and the biggest cost of doing so is food. I often find myself behind in paying the grocer, who lets me run a tab, but paying for 4 growing children who have no father is not an easy task, but I am doing my best. As I noted above, I owe their mother for HHA services and when I have a settlement or someone pays me, I pay her for the growing debt and I provide \$500 per month for the four children, which then reduces my debt (which nevertheless grows each month).

9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

Yes No If yes, describe on an attached sheet.

Should remain consistent with the above.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case, including the completion of this form? Yes No

If yes, how much? _____

If yes, state the attorney's name, address, and telephone number:

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

Yes No

If yes, how much? TBD Likely less than \$50.

If yes, state the person's name, address, and telephone number:

LBC Courier, Ground Floor Cordova Building, Binay Street, Bauan,
4201 Batangas, Philippines
+63-043-727-4017

12. Provide any other information that will help explain why you cannot pay the costs of this case.

I am totally and permanently disabled and do not work due to the disabilities I have from public service to the U.S. Marine Corps (Camp LeJeune victim) and the Indiana Supreme Court (reckless driver as I drove to the Court to work nearly killed me and broke my bones from skull to ankle). Obviously, judicial takings hurt.

I declare under penalty of perjury that the foregoing is true and correct.
