

See Title 28 U.S.C. §2403(a), See SCt Local Rule 44

The Petitioner is without any knowledge of a prior contract as where the Petitioner is concerned he is a United States Veteran without a contract of concern into the United States Military the Petitioner swore to uphold the United States Constitution in his Duties with the Military which was interfered with in a Civil way. The Good faith is not a part of the request since there is no contract.

The citizens and people who intercepted the Preferred Share of Stock did so in violation of the same thing they were seeking to uphold the 1968 Civil Rights Act. However, they began establishing a void within their holdings by removing the Petitioner's name from the negotiable instrument, at 10 b of the SEC and established a hostile removal of the Petitioner's name at Title 18 U.S.C. Section 1028A.

#### THERE IS A NEW REASON TO REHEAR

The new necessity or the err in the prior Order from the U.S. Supreme Court didn't consider in the future things such as the 3<sup>rd</sup> World War if a Soldier seeks redress for defending the Civil Branch of the U.S. Constitution by doing his duty. As well, if there is a 3<sup>rd</sup> Party of Posse Without a legal warrant leading the mutiny.

In their effort they consulted the U.S. Military to claim the Petitioner was the one who presented to the losers of the Hash effort a smuggling plan. Although the Petitioner did not, and the Commander of the United States 3<sup>rd</sup> Armored Cavalry a Honor Guard made his

efforts easier than usual and blamed the horrible hostility and hatred to add to a claim for good faith in violation of the Petitioner's DLM 14<sup>th</sup>, 13<sup>th</sup>, 6<sup>th</sup>, 5<sup>th</sup>, 4<sup>th</sup>, and 1<sup>st</sup> Amendment Rights as in a red heron, (Corruption), snowball against his own underling of Military rights.

The Petitioner knows his rights and privileges, and since there is no contract to establish good faith, the Petitioner request upgrade, and rights to protect himself through efforts of the Military advocacy.

Respectfully Submitted,

Dennis L. Maxberry
