RE: Kate Bartenwerfer v. Kieran Buckley, Case No. 21-908

REQUEST FOR 30-DAY EXTENSION TO FILE RESPONDENT'S RESPONSE

Dear Clerk of the Court:

I am counsel for Respondent Kieran Buckley in this case. I am not currently a member of the Bar of this Court and I acknowledge that the brief in opposition must be filed by a Bar member. I am in the process of seeking an attorney to associate with that is a member of the Bar of this Court.

Petitioner filed her petition for a writ of certiorari on December 17, 2021. According to the online docket and pursuant to Rule 15.3 of the Rules of the Supreme Court of the United States, a response is currently due on February 18, 2022. Pursuant to Rule 30.4, Respondent respectfully requests that the time for filing a response be extended by 30 days, to and including March 21, 2022.

This is Respondent's first request for an extension of time to file a response. Good cause exists for the requested extension as I am currently out of the United States on vacation until January 30, 2022, I need sufficient time to familiarize myself with the Supreme Court rules and practice, and associate counsel that is currently admitted to the Bar of this Court.

Accordingly, Respondent respectfully requests that the time for filing a response to the Petition for Writ of Certiorari be extended by 30 days, to and including March 21, 2022. Counsel for the Petitioner, Iain MacDonald, has informed me by email that Petitioner does not object to this request. As I am out of the United States, my assistant contacted the US Supreme Court Clerk's office and was advised that a "wet signature" was not required for this letter.
