**Re: *Protect Our Parks, Inc. et al.*
*v. Pete Buttigieg, Secretary of Transportation, et al, No. 21A22***

Dear Mr. Harris and Ms. Silver:

I am co-counsel with Richard A. Epstein and Thomas Gardiner of Gardiner Koch Weisberg & Wrona representing the Applicants, and write on behalf of the Applicants in the above-referenced matter. Consistent with Supreme Court Rule 22.4, the Applicants are renewing their Emergency Application for Writ of Injunction and designating that such Application be submitted to Chief Justice John G. Roberts, Jr. Applicants note that the Appendix includes an additional opinion from the Seventh Circuit Court of Appeals which was not issued and available until after the Application was originally filed on August 17, 2021. While the Emergency Applications Clerk was informally notified of such decision, that opinion is now being provided formally as part of the renewed Application.

Applicants further note that on April 26, 2021, this Court denied a Petition for Certiorari in Case No. 20-1259 involving one of the Applicants (Protect Our Parks) and two of the Respondents (City of Chicago and Chicago Park District), and expressly noted that Justice Barrett did not participate in the consideration or decision on that Petition.

Very truly yours,

Michael Rachlis
Counsel of Record and one of the Applicants' Attorneys
