Re: *Truck Insurance Exchange v. Kaiser Gypsum Company, Inc., et al.*, No. 22-1079

Dear Mr. Harris:

On October 13, 2023, the Court granted the above petition. Under the Court's rules, the opening brief on the merits and joint appendix are currently due on November 27, 2023.

Because of scheduling conflicts created by ongoing litigation matters and the upcoming holiday season, Petitioner requests an extension of time to file Petitioner's opening merits brief and the joint appendix, and an extension of time to file Respondents' merits briefs. Respondents consent to this request.

Pursuant to Rule 30.4 of the Rules of this Court and subject to the Court's approval, Petitioner proposes the following briefing schedule:

Petitioner's Opening Brief on the Merits & Joint Appendix	December 7, 2023
Respondents' Briefs on the Merits	January 17, 2024

Respectfully submitted,

/s/ Allyson N. Ho
