Replying to @stewart

Details: • Atlassian is discontinuing Hipchat/Stride • Slack is purchasing the IP to better support those users who choose to migrate • We're both working closely together to make sure that's as simple and painless a process as possible ...

 **Stewart Butterfield**  @stewart

... • Atlassian is making a small but symbolically important investment in Slack • We're committing teams on both sides to create deeper and more powerful integrations between Slack and the Atlassian family of products — there's so much to do here!
