Re: Apple Inc. v. California Institute of Technology, No. 22-203

Dear Mr. Harris:

As counsel of record for The California Institute of Technology (“Caltech”) in the above-captioned case, I write to respectfully request a 30-day extension of time to file the Court’s called-for response to the petition for certiorari. The response to the petition is currently due on November 14, 2022. Pursuant to Rule 30.4, Caltech respectfully requests a 30-day extension making the response due December 14, 2022. An extension of time would enable Caltech’s counsel to fulfill pre-existing professional obligations while allowing for adequate time to prepare a response that would be most helpful to the Court. The Chief Justice previously granted Petitioners’ application to extend the deadline to file the petition for certiorari from August 7, 2022 to September 2, 2022; Caltech has not previously sought any extensions of time in this matter.

Thank you very much for your consideration of this request.

Respectfully submitted,

/s/ Kathleen M. Sullivan
