**Re: *Teva Pharmaceuticals USA, Inc., Petitioner v. GlaxoSmithKline LLC, et al.*, No. 22-37**

Dear Mr. Harris:

We are counsel for Respondents in the above-referenced case. Petitioner filed its petition for a writ of certiorari on July 11, 2022. Currently, the response is due on or before August 12, 2022, per the docketing notification served by Petitioner's counsel pursuant to Rule 12.3.

In accordance with Rule 30.4, Respondents respectfully request a 30-day extension of time, up to and including September 12, 2022, to file their response.<sup>1</sup> An extension is requested owing to the press of other business and to allow time for third parties to file amicus briefs. This is Respondents' first request for an extension.

Counsel for Petitioner informed me that Petitioner does not oppose this requested extension.

Sincerely,

Juanita R. Brooks

cc: William McGinley Jay, counsel of record for Petitioner

<sup>1</sup> The requested 30-day extension sets the deadline on September 11, 2022, which is a Sunday. Accordingly, pursuant to Rule 30.1, Respondents are requesting an extension until September 12, 2022, which is the next Court day.
