Re: Bronwyn Randel v. Rabun County School District
Supreme Court Docket No. 22-384

Dear Clerk:

Pursuant to Rule 30.4, the Respondent herewith requests that the time within which to respond to the Petition for Certiorari be extended 60 days, to and including January 24, 2023. The Petition for Certiorari in the above-styled case was docketed in this court on October 25, 2022, and the brief in opposition is currently due, unless extended, on November 25, 2022.

This request is made necessary by the fact that the Respondent's counsel must attend to numerous previously scheduled professional obligations during the months of November and December, including presenting at three different statewide conferences in different parts of Georgia, writing of briefs and completing discovery in other cases, previously scheduled meetings and court appearances, and other professional obligations. Furthermore, the intervening Thanksgiving and Christmas holidays will also make it difficult to attend to responding to the Petition for Certiorari.

Petitioner's counsel, Eric Schnapper and Kristine Orr Brown, have consented to this request.

Sincerely,

Phillip L. Hartley, Esq.
Counsel for Respondent

cc: Eric Schnapper
Kristine Orr Brown.
