RE: *Johnson & Johnson v. California*, No. 22-447
Request for Extension of Time

Dear Mr. Harris:

The petition for a writ of certiorari in this case was filed on November 10, 2022. Before that filing, petitioners sought and obtained (with respondent's consent) a 30-day extension of time for the petition. The response to the petition is currently due on December 15, 2022. Pursuant to Rule 30.4, California respectfully requests that the time for filing a response be extended by thirty days, up to and including Monday, January 16, 2023 (because thirty days from December 15 is January 14, a Saturday). An extension of time would allow for adequate time for internal review and would better enable preparation of a response that respondent believes would be most helpful to the Court. Undersigned counsel contacted counsel for petitioners, who represented that petitioners consent to this request for an extension of time.

Respectfully submitted,

/s/ Samuel Harbourt
