RE: *Association des Éleveurs de Canards et d'Oies du Québec v. Bonta*, No. 22-472  
Unopposed Request for an Extension of Time

Dear Mr. Harris:

The petition for a writ of certiorari in this case was filed on November 14, 2022. The response is currently due on December 19, 2022. Pursuant to Rule 30.4, respondent respectfully requests that the time for filing a response be extended by 45 days, up to and including February 2, 2023. Counsel for respondent face a number of constraints on their time. The Thanksgiving holiday and associated travel reduced the number of business days available after the petition was filed. Counsel are currently responsible for drafting or reviewing various briefs to be filed in this Court. We have also been informed that an amicus curiae intends to file a brief in support of the petition. The requested extension would allow adequate time for drafting and review and would better enable preparation of a response that would be most helpful to the Court. Petitioners' counsel consents to this request.

Respectfully submitted,

*s/ Aimee Feinberg*
