Re: *Tyson Foods, Inc. v. Buljic*, No. 22-70

Dear Mr. Bickell:

I am counsel for respondents in the above-referenced case. On July 22, 2022, the Court docketed a certiorari petition in this case, and on September 22, 2022, the Court requested that respondents file a response to the petition. Unless extended by the Court, the response would be due on October 24, 2022.

Pursuant to Rule 30.4, I respectfully request an extension of 30 days, to and including November 23, 2022. In addition to religious observances, I have several pressing obligations during the upcoming weeks, including a brief in opposition due in *Saldana v. Glenhaven Healthcare*, No. 22-192, and oral argument before the U.S. Court of Appeals for the Second Circuit in *Rivera-Zayas v. Our Lady of Consolation Geriatric Care Center*, No. 21-2164-cv. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition.

For these reasons, I ask that a 30-day extension be granted. Thank you for your attention to this matter.

Sincerely,

/s/ Adam R. Pulver
