RE: *Glossip v. Oklahoma*, No. 22-7466

Dear Mr. Harris,

We represent the Petitioner in the above-captioned case. Having conferred with Respondent's counsel, we write to jointly request a 30-day briefing extension under Rule 30.4 for both Petitioner's and Respondent's brief to April 6, 2024. Respondent will be filing in support of Petitioner.

This schedule would allow the Court to hear this case any time during its October sitting in the event the case is scheduled for that sitting. Undersigned counsel respectfully seeks this extension due to extant obligations in this Court and other courts.

Thank you for your consideration.

Sincerely,

/s/John R. Mills
