RE: *Libertarian Party v. New York State Board of Elections*
Case No. 22-893

Dear Mr. Harris,

Pursuant to Rule 30.4 of this Court, please accept this letter as a motion by respondents in the above-captioned matter to extend by 30 days, *i.e.*, until May 16, 2023, the deadline for filing a brief in opposition to the petition for certiorari. There is good cause for the extension, including the observance of upcoming religious holidays as well as the press of business that I and the other attorneys assigned to this matter must attend to during the interim period. Additionally, the requested extension will allow respondents to address any *amicus curiae* briefs that may be filed in support of the petition.

Counsel for petitioners consents to this extension request.

Respectfully submitted,

Brian D. Ginsberg
