RE: *NGL Supply Wholesale, L.L.C. v. Federal Energy Regulatory Commission, et al.*, No. 22-90

Dear Mr. Harris:

I am counsel of record for Intervenor-Respondents Phillips 66 Pipeline LLC and Phillips 66 Company in the above-captioned matter. The petition for writ of certiorari was filed on July 26, 2022, and placed on the docket on July 29, 2022. The current due date for briefs in opposition is August 29, 2022.

Pursuant to Supreme Court Rule 30.4, Intervenor-Respondents Phillips 66 Pipeline LLC and Phillips 66 Company respectfully request that the time within which to respond to the petition for writ of certiorari be extended by 30 days, to and including September 28, 2022.

This extension is requested both to allow adequate time to prepare a brief in opposition to the petition due to several professional obligations that Intervenor-Respondents' counsel have and to allow adequate time to consider, and if necessary respond to, a brief of *amicus curiae* that is expected to be filed in this matter on or before August 29, 2022.

Petitioner's counsel, Dominic Draye, stated that petitioner has no objection.
