INMATE BULLETIN

MODIFIED OPERATIONS

Due to the rise in the amount of weapons and contraband being found, as well as multiple inmate fights involving weapons, the decision was made to place the institution on modified operations. We will remain under modified operations until mass shakedowns are complete. The safety and security of the staff, inmates and institution are our highest concern. Inmates will remain in their cells at this time. Meals will be delivered to the units. We will revert back to a limited commissary list.
