Re: Respondent Derrick Jaradi's **unopposed request for briefing extension**
in Supreme Court of the United States No. 23-1257, *Argueta v. Jaradi*

Dear Clerk Harris:

Respondent respectfully requests an unopposed briefing extension of thirty (30) days, until August 21, 2024, for Respondent to file his response to the petition for writ of certiorari.

Petitioner does not oppose the requested extension.

Respondent's counsel and Petitioner's counsel conferred, and Petitioner does not oppose the requested extension.

Respondent requests that his current deadline of July 22, 2024, to file a response to the petition for writ of certiorari be extended 30 days, until August 21, 2024.

Hurricane Beryl recently struck Houston, Texas and the surrounding areas, Respondent's counsel has been affected by the hurricane and the aftermath of it that is still substantially impacting business operations in the Houston area by disrupting electricity, communications lines, and electronic access to computer files.

For these reasons, Respondent seeks a 30-day extension of the deadline to file his brief in opposition to petition for writ of certiorari.

Respectfully,
