RE: Request for extension of time to file response to petition
Nev. Dep't of Corr., et al. v. Galanti, No. 23-186

Dear Mr. Harris:

I am counsel of record for respondent in this case. Petitioners filed their petition for a writ of certiorari on August 23, 2023. A response is currently due on September 28, 2023. Pursuant to Rule 30.4, respondent respectfully requests that the time for filing a response be extended by 30 days, to October 30, 2023.

This is respondent's first request for an extension of time to file a response. Good cause exists for the requested extension because our law school clinic is working on other appeals along with this one and the instructional aspect of our work requires extra time for the preparation of briefs.

Counsel for petitioners, Jeffrey Conner, has informed me by email that petitioners do not object to this request.

Sincerely,

Leah Spero
