Re: *Epic Games, Inc. v. Apple Inc.*, No. 23-337

Dear Mr. Harris:

I am counsel of record for Respondent Apple Inc. in the above-captioned case. Apple's brief in opposition to the petition for a writ of certiorari is currently due on November 29, 2023.

I write to respectfully request a 30-day extension under Rule 30.4, which would extend the deadline for Apple to file its brief in opposition to December 29, 2023.

This is the second extension Apple has sought. The extension is warranted due to the press of other business, including my participation as one of the principal defense counsel in *FTC v. IQVIA* (S.D.N.Y.), an expedited merger challenge that the district court has set for hearing on November 20 through December 1, 2023—entirely overlapping with the deadline for Apple's response brief. I am also responsible for the preliminary injunction opposition (due November 9), the post-hearing brief (due December 8), and other motions and hearings.

Petitioner Epic Games, Inc. opposes Apple's request for an extension.

Sincerely,

/s/ Mark A. Perry

Mark A. Perry
