Re: City and County of San Francisco, et al. v. Ivana Kirola, et al.,
S.Ct. No. 23-35

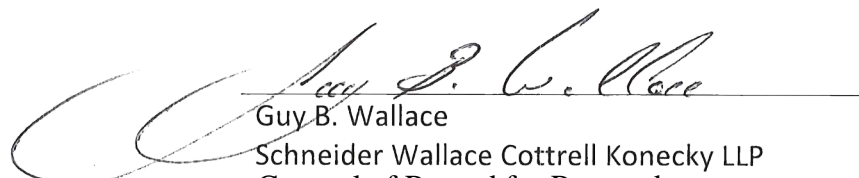

Dear Mr. Harris:

Petitioner City and County of San Francisco filed its Petition for a Writ of Certiorari on July 10, 2023. Respondents' Brief in Opposition is currently due on August 11, 2023. Respondents respectfully request, under Rule 30.4 of the Rules of this Court, a 30-day extension to and including September 10, 2023 within which to file the Brief in Opposition.

This is Respondents' first motion for an extension. Undersigned counsel has begun preparation of Respondents' Brief in Opposition while simultaneously working on preparation for a mediation in a putative class action matter as well as a dispositive motion in another class action matter. It has become apparent that the requested extension is necessary to ensure an opportunity for Respondents' counsel to adequately address the Petition for a Writ of Certiorari while satisfying these other professional commitments.

Thank you for your assistance in this matter. Please do not hesitate to contact me with any questions you may have.

Very truly yours,

Guy B. Wallace
