RE: Dana E Lunn

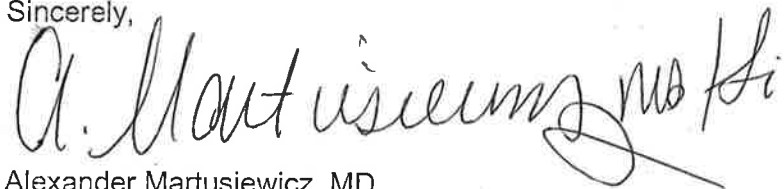

To Whom it May Concern:

This is to certify that Dana E Lunn was seen in my clinic on 07/31/2023.

He had a pinched nerve in his hand, this is why we performed the carpal tunnel release. The nerve may still be recovering.

Please feel free to contact my office if you have any questions or concerns. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "A. Martusiewicz MD". The signature is fluid and cursive, with a large loop at the end.
