RE: EMERGENCY APPLICATION (EA23A123)

Dear Mr. Harris:

Pursuant to United States Supreme Court Rule 22.4, I am hereby requesting that Justice Jackson review and consider my Emergency Application. Respectfully, I also request that Justice Jackson take up the matter right away instead of waiting for the "Long Conference" This special request is justified because my Emergency Application has not received fair and impartial consideration from Justice Thomas.

Justice Thomas is friends with Governor Ron DeSantis, who is vehemently opposed to my Emergency Application, the notion of Equal Protection, DEI, and any subsequent Writ of Certiorari which I might be ultimately forced to file. Moreover, it is clear now that Justice Thomas has been selling U.S. Supreme Court influence to white, conservative billionaires for over thirty years. Some of these billionaires have interests that clash with the issues raised in my Emergency Application.

I am entitled to have my Emergency Application considered by a justice that has not been morally and professionally compromised!

Sincerely,

D. Craig Tingle, Esquire
