OFFICE OF THE CLERK
SUPREME COURT, U.S.

To the Honorable Elena Kagan, as Circuit Justice for the United States Court of Appeals for the Ninth Circuit:

Pursuant to this Court's Rules 13.5, 22, 30.2, and 30.3, Petitioner *pro se*, Stephen Ireland, M.D., respectfully requests that the time to file its Petition for Writ of Certiorari in this matter be extended for 60 days up to and including December 18, 2023. The Court of Appeals issued its opinion on April 5, 2023. (Appendix ("App.") A) and denied rehearing on July 19, 2023 (App. B). Absent an extension of time, the Petition for Writ of Certiorari would be due on October 18, 2023. Petitioner is filing this Application more than ten days before that date. See S. Ct. R. 13.5. This Court would have jurisdiction over the judgment under 28 U.S.C. 1254(1). Respondents have indicated by email that they do not oppose the motion.

Petitioner is a self-represented plaintiff in a civil antitrust lawsuit and has a busy, full-time neurology practice. He has been diligent in preparing his petition but will need the additional time requested to further research relevant case law, hone his argument, and ensure that his petition complies with the Court's rules.

Respectfully submitted.
