Re: *Entergy Arkansas, LLC v. Doyle Webb, In His Official Capacity as Chairman of the Arkansas Public Service Commission, et al.*, No. 24-1074, Request to extend time to respond to petition

Dear Mr. Harris:

We represent the respondents in the above-captioned case and write to request a 14-day extension of time to file a brief in opposition to the petition for certiorari in this case. The petition for a writ of certiorari was filed on April 10, 2025 and placed on the Court's docket on April 14, 2025. Respondents' brief in opposition currently is due on May 14, 2025. Amicus briefs in support of petitioner were filed on April 15 and April 16, 2025. On May 2, 2025, respondents received an additional notice of intent to file an amicus brief by the MISO Transmission Owners in support of petitioner.

Respondents respectfully request, under Rules 15.3 and 30.4 of the rules of this Court, a modest extension of time to and including May 28, 2025, within which to file the brief in opposition. This extension is necessary because respondents have not yet seen the yet-to-be-filed amicus brief and will require additional time to respond fully to the new brief along with the petition and other briefs that have already been submitted.

Thank you for your consideration of this request.

Sincerely,

**Stinson LLP**

s/ John E. McCaffrey
