Honorable Scott S. Harris
Clerk
Supreme Court of the United States
1 First Street, NE

RE: Request for further extension of time to file response in *Kingdom of Spain v. Blasket Renewable Investments LLC, et al.*, No. 24-1130

Dear Mr. Harris:

The Court docketed the petition for a writ of certiorari in the above-captioned case on May 5, 2025. On May 21, 2025, the Court granted Respondents' motion to extend the time to file their response. Responses to the petition are currently due July 9, 2025.

Pursuant to this Court's Rules 15.3 and 30.4, Respondents NextEra Energy Global Holdings B.V., NextEra Energy Spain Holdings B.V., and 9REN Holdings S.À.R.L. respectfully request a further, 30-day extension to August 8, 2025, to file their response. No party (neither Petitioner nor Respondent Blasket Renewable Investments LLC) opposes this request.

The extension is necessary given the heavy press of other business. Between Respondents' first extension request and the requested deadline, undersigned counsel and his colleagues have needed and must continue to attend to deadlines in several matters, including cert-stage briefing before this Court, briefing in several cases before federal courts of appeals, and preparing for oral argument in cases before federal courts of appeals. Several of those deadlines have arisen in expedited or otherwise time-sensitive matters since the Court granted Respondents' first request to extend the time to file their brief in opposition.

Respectfully submitted,

Shay Dvoretzky
