Re: Michael Watson, Mississippi Secretary of State v. Republican National Committee, et al.
No. 24-1260

Dear Mr. Harris:

In response to the Court's letter dated September 3, 2025 and my subsequent telephone conversation with your office, please consider this letter as our clients, JUSTIN WETZEL, in his official capacity as the clerk and registrar of the Circuit Court of Harrison County; TONI JO DIAZ, BECKY PAYNE, BARBARA KIMBALL, CHRISTENE BRICE, and CAROLYN HANDLER, in their official capacities as members of the Harrison County Election Commission, response to the Court's request.

Mr. Wetzel and the Election Commissioner are charged by Mississippi statutory law with conducting elections within Harrison County, Mississippi and in doing so will follow the law in Mississippi including any constitutional limitations in counting votes. As to the issues before this Court, they do not have a position one way or the other, as they will count the legal votes as required by Mississippi law including any constitutional limitations thereto, whether such is determined to be votes cast on or before election day or post marked by election day but received within 5 days of the election.

I trust this letter will serve as our clients response as requested by your letter dated September 3, 2025. If I am mistaken please advise.

As instructed I am including 10 originals of this letter for distribution to the Court.

Sincerely,

BOYCE HOLLEMAN & ASSOCIATES
