RE: *Klee v. International Union of Operating Engineers, Local 501*, No. 24-1306  
Request for Extension of Time to File Response to Petition

Dear Mr. Harris:

This office represents respondents the California Department of Corrections and Rehabilitation, the California State Controller, and the California Attorney General. The petition for a writ of certiorari was filed on June 20, 2025. This Court has requested a response, which is currently due September 10. Pursuant to Rule 30.4, I respectfully request that the time for filing the response be extended by thirty days to October 10, 2025. Respondents have not previously requested an extension of time in this matter.

The extension is requested because of the press of work, and because an extension of time would better enable the preparation of a response that we believe would be most helpful to the Court.

Accordingly, I request that the due date for the response to the petition for a writ of certiorari be extended to October 10, 2025.

Sincerely,

/s/ Aaron D. Pennekamp
