Re: *Jennifer Cotto, et al.*
v. Andrea J. Campbell, Attorney General of Massachusetts, et al.,
No. 24-1307 — Second Request for Extension of Time

Dear Mr. Harris,

The Court has requested that the respondents in the above-captioned case file a brief in response to the petition for a writ of certiorari. The respondents previously sought, and were granted, a 60-day extension of the deadline to file that brief, through November 10, 2025. Pursuant to Supreme Court Rule 30.4, the respondents now respectfully request a further, 14-day extension of that same deadline, through November 24, 2025. Respondents do not expect to request any further extension of time to file the brief in response to the petition.

This request is based on the need for additional time to prepare a helpful response to the petition. While respondents have prioritized this matter, this additional time is necessary due to the considerable internal review that will precede this filing and the need to coordinate with multiple reviewers. Counsel for the petitioners have assented to the requested extension.

Thank you for your consideration.

Sincerely,

/s/ Christine Fimognari
