MOTION FOR RECONSIDERATION
OF MOTION FOR LEAVE TO PROCEED
IN FORMA PAUPERIS

Now comes, petitioner Darrell
L. Marshall and motion the court
for Reconsideration of Motion For

Leave To Proceed In Forma
Pauperis, based on the following
facts.

The City OF Detroit, the Detroit
Law Department, the Detroit Police
Department, the Detroit Land Bank
Authority, the Wayne County Third
Judicial Circuit Court and Wayne
County Clerks Office, Michigan
Rehabilitation Services and the
Michigan Department of Attorney
General are currently retaliating
against petitioner for filing this

Rule 6D, (B) Motion against the
City of Detroit and Wayne County.

Notice of two separate companion
cases pending with the Social Security
Administration, Appeals' Council and
State of Michigan Third Judicial
Circuit Court Civil Division Case
No. 25-005981-AV Darrell L. Marshall
VS. Michigan Rehabilitation Services
and the City of Detroit Land
Bank Authority.

On September 20, 2022 petitioners
purchased a house from the Detroit

Land Bank Authority property
auction

During that same time petitioner had a Vocational Rehabilitation case pending with the State of Michigan requesting assistance from Michigan Rehabilitation to assist petitioner with getting his Michigan Residential Builder's License reinstated.

Subsequent to purchasing the house from the City of Detroit Land Bank Authority petitioner

sold his primary residence for (\$26,000.00), twenty six thousand dollars to perform the repairs on the property petitioner purchased from the City of Detroit Land Bank Authority.

Petitioner also started the repairs on the property petitioner purchased from the City of Detroit Land Bank Authority to demonstrate petitioner's knowledge and skill in the construction trade and support the issue to reinstate

petitioner's Michigan Residential
Builder's License

CONCLUSION

The evidence will prove that the City of Detroit Land Bank Authority illegally repossessed petitioner's house and caused petitioner severe Hardship and further caused petitioner to become homeless.

The evidence will further prove that the State of Michigan

Vocational Rehabilitation Services
and Henry Ford Medical Center
in Detroit Michigan are refusing
petitioner proper medical and
psychiatric treatment and further
concealing medical and psychiatric
evidence that could cause the
death of petitioner.
