Re: *Montana v. Planned Parenthood of Montana*, No. 24-745

Dear Mr. Harris:

I represent respondents Planned Parenthood of Montana and Samuel Dickman, M.D. in the above-captioned case. The petition for a writ of certiorari in this case was filed on January 10, 2025, and placed on the docket on January 14, 2025. The Court called for a response on February 28, 2025, and the response is currently due on March 31, 2025. Pursuant to Rule 30.4, respondents respectfully request that the Court extend the time to file a response to the petition by 30 days, to and including April 30, 2025. I am not a member of the Bar of this Court, but the response will be filed by a member of the Bar.

This is the first request for an extension of time to file a response. An extension is warranted to provide counsel for respondents with adequate time to prepare a response to the petition. Moreover, counsel for respondents received notice on March 14, 2025, of one organization that intends to submit an *amicus curiae* brief in support of petitioners.

Respectfully submitted,

Anjali Salvador
