> Re: Rule 30.4 Extension Request – Wye Oak Technology, Inc. v. Republic of Iraq, et al., No. 24-759

Dear Mr. Harris:

We represent Respondents Republic of Iraq and the Ministry of Defense of the Republic of Iraq ("Respondents") in the above-captioned matter. Petitioner Wye Oak Technology, Inc.'s petition for a writ of certiorari, dated January 14, 2025 (the "Petition"), was placed on the docket on January 16, 2025. Accordingly, pursuant to Supreme Court Rule 15.3, Respondents' brief in opposition to the Petition is currently due February 18, 2025.

Pursuant to Supreme Court Rule 30.4, Respondents respectfully request an additional 30 days, until and including March 20, 2025, to file their brief in opposition to the Petition. Respondents' request is motivated by the need to respond to Petitioner's challenges to two separate decisions of the United States Court of Appeals – one of them issued three years ago – and the death last week of the mother of the senior member of the legal team representing Respondents in this matter.

Respondents respectfully submit that the requested extension of time is reasonable given that the Petition presents no matters necessitating urgent resolution and the requested extension will not result in deferring the Supreme Court's consideration of the Petition to the 2025 term.

Counsel for Petitioner has graciously consented to this request.

Thank you very much for your attention to this request. Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

Boaz S. Morag
