Re: *Stitt, et al. v. Fowler, et al.*, No. 24-801

Dear Mr. Harris:

I represent Respondents in the above-captioned case. The petition for a writ of certiorari in this case was filed on January 23, 2025, and Respondents' response was originally due February 27, 2025. Former counsel of record obtained a 30-day extension, making the brief in opposition due March 31, 2025. Additional time is needed because undersigned counsel has only recently been retained in this matter. Respondents' new counsel require adequate time to thoroughly review the record and legal issues in this case to prepare the forthcoming brief in opposition. Pursuant to Rule 30.4, Respondents respectfully request that the time for filing a response to the petition be extended by an additional 15 days, to April 15, 2025. Petitioners consent to this extension.

Additionally, Respondents submit this request because of the heavy press of previously set deadlines in other matters during this period.

Thank you in advance for your consideration of this matter.

Respectfully submitted,

E. Joshua Rosenkranz
