Re: Request for Extension of Time to File Response to Petition
Fane Lozman v. City of Riviera Beach, Florida
S. Ct. No. 24-908

Dear Mr. Harris:

I am counsel for Respondent, the City of Riviera Beach (“Respondent”). The Petition for a Writ of Certiorari in the above-captioned case was filed on February 20, 2025, and docketed on February 24, 2025. Our response is due on March 26, 2025.

The purpose of this letter is to respectfully request, under Supreme Court Rules 15.3 and 30.4, a thirty (30) day extension of time to and including April 25, 2025, to respond to the Petition.

This is Respondent’s first request for an extension of time to respond to the Petition. Good cause exists for the requested extension. Apart from this case, I have multiple other professional commitments and my team consists of attorneys who likewise have a heavy case load and are new to this matter, making it difficult to prepare a full response to the Petition by the present due date. The requested extension is necessary for my team to become fully familiar with the legal issues and record in this case and prepare a response to the Petition that will best serve the Court in its deliberations on this matter.
