Re: No. 24-935, *Flower Foods, Inc. et al. v. Brock*

Dear Mr. Harris:

I write to respectfully request that the Court extend the deadline for the respondent, Angelo Brock, to file his response brief on the merits. The brief is currently due on January 5, 2026. The respondent requests a seven-day extension, to and including January 12, 2026. The petitioner consents to this request.

Good cause for this extension exists because I have several obligations that would make it difficult for me and my colleagues to prepare the response brief absent a one-week extension. These include: an opening brief due in the Ninth Circuit in *Lang v. Providence Health Services*, No. 25-7294, on December 29, 2025; and an oral argument in the Ninth Circuit in *People of the State of California v. Meta Platforms, Inc.*, No. 24-7037, on January 6, 2026.

Oral argument in this case has not yet been set. This extension would permit the case to be heard during any of the remaining sittings.

Sincerely,

/s/ Jennifer D. Bennett
