Re: No. 24-935, *Flowers Foods, Inc. et al. v. Brock*

Dear Mr. Harris:

I am counsel of record for the respondent in this case. Having conferred with counsel for the petitioners, I respectfully request that the Court extend the deadline for Angelo Brock to file his response brief on the merits by ten days, to and including January 22, 2026. The respondent's brief is currently due on January 12, 2026. Counsel for the petitioners consents to this request.

There is good cause for this extension because I was prevented from working on the brief for more than a week due to an illness, and my colleagues and I have several intervening obligations that would make it difficult to prepare the response brief absent the extension. These obligations include, for example: an oral argument in the Ninth Circuit in *People of the State of California v. Meta Platforms, Inc.*, No. 24-7037, on January 6, 2026; an oral argument in the Federal Circuit in *NVLSP v. United States*, No. 24-1757, on January 7, 2026; a response brief due in the Ninth Circuit in *Uhl v. Roblox Corp.*, No. 25-5057, on January 20, 2026; and an opening brief due in the Fourth Circuit in *Does v. Hammy Media Ltd.*, No. 25-2411, on January 20, 2026.

This schedule would permit this case to be heard during the Court's March sitting.

Sincerely,

*/s/ Jennifer D. Bennett*
