On May 1st, 2021, at approximately 1854 hours, I, Officer Langston, was dispatched to the Brandon Amphitheater (8190 Rock Way Brandon, MS 39042) in reference to two white males violating the city ordinance.

Upon my arrival, Chief Thompson had already arrested Gabriel David Olivier (001029078), whom violated the city ordinance in his presence. I searched Olivier for weapons and checked his handcuffs to make sure they were double locked. Olivier was transported to the Brandon Police Department for booking.

Olivier was charged with violation of city ordinance (8-3-15) sec. 50-45. An affidavit was signed by Chief Thompson. Judge Adams gave Olivier a court date for Wednesday May 5th, 2021. Olivier was Released on Recognizance bond.

Narrative

On May 1st, 2021, at approximately 1854 hours, I, Officer Langston, was dispatched to the Brandon Amphitheater in reference to two white males violating the city ordinance.

On the evening of May 1, 2021, a live concert event was held at the Brandon Amphitheater featuring Lee Brice and Parmalee. The Event was scheduled to begin at 8:00 p.m. The venue was opened to event attendees at 6:00 .pm. On May 1, 2021 at approximately 6:00 PM, I was advised by police radio that protesters had arrived at the Brandon Amphitheater located at 8190 Rock Way Brandon Mississippi. Lieutenant Beau Edgington and I met with Sergeant Brad Turner at the corner of Boyce Thompson and Rock Way. Sergeant Turner advised that he saw protesters arrive and that the group had parked in the parking lot across from the from the Amphitheater at the Quarry Park baseball fields.

Lieutenant Edgington and I drove across to the Quarry Park baseball fields in a golf cart to meet with the protesters and ensure they were aware of the city of Brandon ordinance Sec. 50-45 entitled "Designating a protest area and related provisions regarding public protests/demonstrations during events at the Brandon Amphitheater."

As we approached the group of would-be protesters, they all stopped what they were doing and waited for us to stop. I advised them that we needed to talk and allowed them time to activate their personal body cameras. I asked them if they were aware of the ordinance which says there was now a designated protest area.

A Caucasian male, Mr. Gabriel Oliver, appeared to be the leader or spokesman for the group. He advised that he was aware of and had read the ordinance. I gave Mr. Oliver a copy of the ordinance in case he and his follow protesters wanted to review it prior to beginning protest activities. While meeting with Mr. Oliver and his group I observed an amplification device as well as a large format picture of an aborted fetus. Lieutenant Edgington and I then left the area and headed back across Boyce Thompson to the amphitheater.

At 6:20 PM Lieutenant Edgington and I were approached by the contract parking attendant supervisor. She advised that the protesters were not happy with where the protest area was located. We then watched from a vantage point as the protesters proceeded from the west on the sidewalk along the south side of Boyce Thompson where the protesters could see their designated protesting area. They paused briefly and had a discussion that I could not hear then turned around and proceeded on the sidewalk to the intersection of Boyce Thompson and western entrance of Rock Way. Sergeant Turner who was busy directing traffic into and out of Rock Way and stopping traffic for the many concert goers who were crossing Boyce Thompson, radioed to us that he needed help with the protesters who were attempting to engage him in conversation. We were able to see from our vantage point that the protesters were in fact interfering with the duties of Sergeant Turner.

Lieutenant Edgington and I again approached the protesters who had crossed Boyce Thompson and were protesting in the northwest corner of Boyce Thompson and Rock Way.

As we approached the group, I observed a protester holding a large poster which had the picture of an aborted fetus on it. This protester also had a tube-shaped personal voice amplification device on a strap over his shoulder and a head set with a boom microphone which allowed him the ability to use both hands. The group was obstructing the sidewalk. Most who would have used the sidewalk avoided the protest group by cutting across the Lot A parking lot onto the sidewalk leading the box office north of the group.

I, William Thompson, again engaged Mr. Gabriel Oliver. He advised that the designated protest area did not allow them the opportunity to hand out literature, talk with patrons walking to the concert, and many would not hear what the protesters were saying. I did observe that I was being recorded from at least two body cameras. Mr. Oliver was advised they would have to move to the designated protest area, or they would have to leave. Mr. Oliver advised they were not protesters but that they were Christians. As indicated earlier, I observed protest material such as large posters of aborted fetuses, voice amplification devices, protest subject matter brochures, and the body cameras or other video recording devices commonly used by protesters.

Mr. Oliver advised that he believed the city of Brandon was violating their right to protest. Mr. Oliver, also, asked if where they were set up was a public sidewalk. I said that it was, but he still needed to go to the designated area or leave. I attempted to reason with Mr. Oliver, but my attempts were unsuccessful. He was advised that I did not make law and that I only enforce it. He was told again he needed to move the group to the protest area or leave. Mr. Oliver said, "is that under threat of arrest." This is a statement commonly used by protesters to bait law enforcement into a verbal confrontation. I replied in the affirmative that yes, they would be arrested if they did not move to the protest area or leave. The protester later identified as a Caucasian male, Mr. Bryan Peden, continued to yell into this boom mic and hold his aborted fetus poster. The other protesters did likewise.

It was at that time I realized that reasoning with Oliver was probably an attempt to bait myself or other officers into a confrontation which they could record and exploit. Mr. Oliver and Mr. Peden were taken into custody at that time. Upon seeing this the other protesters quickly packed up and proceeded across the street.

Officer Paige Ramage and Jarrot Langston arrived at the amphitheater to transport the suspects
