Re: *Premier Nutrition Corp. v. Montera*, No. 24-999

Dear Mr. Bickell:

I am counsel for Respondent in the above-referenced case. On March 17, 2025, a certiorari petition was docketed in this case, and on April 9, 2025, the Court requested a response. Unless extended by the Court, the response is due on May 9, 2025.

Pursuant to Rule 30.4, I respectfully request an additional extension of 14 days, which would result in a new deadline of May 23, 2025. I have only recently been engaged in this matter, and I have several pressing obligations during the upcoming weeks, along with family obligations relating to the Passover holiday. An extension will allow me to meet these obligations and also to file a response that adequately addresses the points raised in the petition. The modest extension sought will not prevent the Court from considering the petition before the end of the current term.

For these reasons, I ask that an extension to May 23, 2025 be granted. Thank you for your attention to this matter.

Sincerely,

/s/Adam R. Pulver
