SUPREME COURT

In Case No. 2024-0491, Petition of G.M., the court on November 22, 2024, issued the following order:

Supreme Court Rule 22(2) provides that a party filing a motion for rehearing or reconsideration shall state with particularity the points of law or fact that she claims the court has overlooked or misapprehended.

We have reviewed the claims made in Grace L. Wilson Marshall's motion for reconsideration and conclude that no points of law or fact were overlooked or misapprehended in our decision to deny this Rule 11 petition. Accordingly, upon reconsideration, we affirm the October 24, 2024 decision and deny the relief requested in the motion.

Relief requested in motion for reconsideration denied.

MacDonald, C.J., and Bassett, Donovan, and Countway, JJ., concurred.
