R.E. Extension of time:

I am requesting an extension of time to file a pro-se writ of certiorari. I understand that I'm not within the 10 day period to make such a request and according to multiple Supreme Court rules; (13), 28 U.S.C 2101, and 30, an extension of time is only granted in extraordinary circumstances.

1. I was in the Special Housing Unit due to an assault when I found out my En banc was denied. (see exhibits)
2. I just got placed back in general population on April 11, 2025.
3. In the Special Housing Unit I wasn't allowed access to my legal paperwork or the law library.
4. As an indigent defendant I wasn't able to acquire writing material nor mailing material until I was placed back in general population.

general population.

I would like to have more time to formulate my argument in regards to men rea and actus rea of my charge along with the way that I was restrained during trial, also my sentence is a separation of power issue.

I pray that I have provided enough information to be granted and extension of time to file a writ of certiorari.
