**MOTION FOR LEAVE TO FILE
AMICUS CURIAE BRIEF**

Proposed *Amicus Curiae* hereby respectfully requests that this Honorable Court grant leave for the American Rights Alliance to file an *Amicus Curiae* brief in the hope that its points and explanations will assist this Court in quickly observing from the lengthy record the importance of these issues.

This brief supports the Appellants (Defendants below), in Appellant's **Application To Vacate The Orders Issued By The United States District Court For The District Of Columbia And Request For An Immediate Administrative Stay.**

Proposed *Amicus Curiae*, the American Rights Alliance (ARA) is an IRS Code 501(c)(3) nonprofit, tax deductible organization. ARA is a coalition of legal professionals, advocates, and strategists committed to defending the First Amendment, protecting election integrity, and ensuring transparency in democratic processes. ARA works to expose fraud, misconduct, and censorship while empowering individuals to speak freely and without fear. We stand as a shield for those whose voices are marginalized and as a force holding systems accountable to safeguard the core principles of a free and just society.

The ARA, founded by attorney Evan Turk and represented herein by attorney Peter Ticktin,

comprises distinguished legal advocates dedicated to preserving constitutional governance and protecting the separation of powers. Treniss Evans, a United States Citizen and a member of the American Rights Alliance, supports ARA's efforts to reinforce executive authority and end judicial interference in national security matters. It is described at www.AmericanRightsAlliance.org and accessible at 303 Evernia Street, Suite 300, West Palm Beach, Florida 33401.

However, Rule 37.3(2)(a) of the Rules of the Supreme Court requires among several other topics

“ An *amicus curiae* filing a brief under this subparagraph shall ensure that the counsel of record for all parties receive notice of its intention to file an *amicus curiae* brief at least 10 days prior to the due date for the *amicus curiae* brief, unless the *amicus curiae* brief is filed earlier than 10 days before the due date.”

Because of the short time spans involved in election-related matters, the timing when counsel was included, and staff's understanding that this Court had moved away from the requirement of the formality of seeking leave to file a brief, *Amici Curiae* did not inform the parties – at least not formally – of their intention to file a brief ahead of filing it on March 31, 2025.

CONCLUSION

Amici asks the Court to consider these circumstances, details and analyses and to support the Petition of Phil Lyman and ask that the Court grant a *writ of certiorari* and injunction.

Amici ask that the Court grant leave for the filing of their brief and circulate it for consideration.
