Re: *Dolby Laboratories Licensing Corporation v. Unified Patents, LLC*,
No. 25-1011

Dear Mr. Harris:

I am counsel of record for respondent in the above-captioned case, which is currently pending before this Court on a petition for a writ of certiorari. The petition was filed on February 20, 2026. Respondent was previously granted a 32-day extension of time to file the response to the petition, to and including April 27, 2026.

In accordance with this Court's Rule 30.4, I respectfully request a 29-day extension of time, to and including May 26, 2026, in which to file the response. This extension is necessary due to the heavy press of other matters, including those with proximate due dates. The proposed new deadline would still preserve petitioner's full 14-day period under Rule 15.5 and enable the Court to consider the case at a June conference before the summer recess. If granted, the extension thus would not materially delay the case's ultimate disposition.

Counsel for the government does not oppose this request. Counsel for petitioner takes no position on the request.

We appreciate your assistance.

Sincerely,

/s/ Debra J. McComas
