Re: *Robles v. Parham*, No. 25-1015

Dear Mr. Bickell:

I am counsel for Respondent in the above-referenced case. On February 20, 2026, a certiorari petition was filed in this case, and on March 23, 2026, the Court requested a response. Unless extended by the Court, that response is due April 22, 2026. For the reasons that follow, and pursuant to Rule 30.4, Respondent respectfully requests an extension of 14 days, up to and including May 6, 2026.

My office has only recently been retained in this case, and, in light of the Passover holiday and responsibilities in other cases, the additional time is necessary to allow an opportunity to prepare a response that adequately addresses the points raised in the petition. This is Respondent's first request for an extension.

For these reasons, I ask that a 14-day extension be granted. Thank you for your attention to this matter.

Sincerely,

Adam R. Pulver
Counsel for Respondent
